## SHORT EXCHANGE OF ACADEMIC STAFF OSLOMET:

**Oslo Metropolitan University, Faculty of Technology, Art and Design**

Where: **Oslo, Norway** / When: **9-23 September 2025** / Contact person: [mahus5244@oslomet.no](mailto:mahus5244@oslomet.no)

### CRAFT (Cross-Reis Academic Forge Team)

The idea: Within the Cross-reis, we have indicated that we are planning to write several papers on special topics, and one good way of facilitating this is to devote time during the early parts of the autumn to have intense work with research and papers.

We need to prepare **two publications** for CROSS-REIS: one on **Gender Equality / Women in Science** and one on **Data Management and Open Science**. Within these two themes, we can **adapt** the focus to our disciplines and research interests.

**The conference will be held in a hybrid format.** Participants may attend onsite at OsloMet or online via Microsoft Teams. There are three categories of online participation:

- Main room (Plenary sessions) - <https://lnk.sk/cckow>
- Parallel Room A (dedicated to Paper A) - <https://lnk.sk/zabn4>
- Parallel Room B (dedicated to Paper B) - <https://lnk.sk/itdx1>

Each room has one permanent link that will remain valid for the entire duration of the conference.

At this link, you will find a **shared folder** where we can upload and access materials for the articles that will be written during the CROSS-REIS conference. This is also the space where we can collaborate and share all relevant files related to the articles. <https://drive.google.com/drive/u/1/folders/1WkC-29Elz0pMdnd-P7xyM3CVsxQ0KDDa>
